

WHAT YOU NEED TO KNOW FOR SUMMER CAMP

Appropriate Soccer Attire: Players are required to come dressed in appropriate soccer attire, (shorts and t-shirts are highly suggested - light colors are preferred). Additionally, players should use appropriate footwear. Regular sneakers are acceptable; however, cleats for outdoor time are highly suggested. If cleats are being used, players would need to change to indoor soccer shoes or regular sneakers for inside activities or when transitioning between indoor and outdoor spaces. Shin guards are required as players will engage in scrimmage time.

This rule ensures that players are properly equipped for both indoor and outdoor activities during the camp, promoting safety and preparedness for all training sessions and games.

Code of Conduct: Participants are expected to adhere to a code of conduct that promotes good sportsmanship, respect for coaches, fellow players, and officials, as well as fair play.

1. **Age and Skill Level:** Players will be separated by age and/or skill level to ensure that participants are appropriately grouped for training sessions and activities.
2. **Safety Guidelines:** Safety is paramount, so rules regarding appropriate equipment, such as shin guards, and conduct during drills and games to prevent injuries are enforced.
3. **Attendance and Punctuality:** Participants are expected to attend all scheduled sessions on time. Refunds will not be provided for players who are absent or have arrived late.
4. **Respect for Facilities and Equipment:** Players are expected to respect the facilities where the camp is held, including keeping the playing fields and common areas clean and free from damage. In addition, players are expected to treat camp equipment with care.
5. **Prohibited Items:** Players will not be allowed to bring toys from home. In addition, players who have access to phones or electronics will not be allowed to use them during camp hours. NDA is not responsible for the loss of damage to any device.
6. **Behavioral Expectations:** Participants are expected to behave in a manner that upholds the reputation of NDA Soccer Summer Camp and its organizers. Any behavior deemed disruptive, disrespectful, or harmful to others may result in disciplinary action.
7. **Communication Protocol:** Camps may have specific protocols for communication between participants, coaches, and organizers, including channels for reporting issues or concerns.
8. **Medical Information:** Participants may be required to provide medical information or waivers regarding any pre-existing medical conditions or allergies to ensure appropriate care in case of emergencies.

These rules and regulations are designed to ensure a safe, enjoyable, and productive experience for all participants in the summer soccer camp. It's essential for players and their guardians to familiarize themselves with these guidelines to ensure a positive experience for everyone involved.
